# AN OPPORTUNITY OF A LIFETIME

Horizon Highgroves is situated in an exceptional area at the heart of East Pune right next to Koregaon Park in Mundhwa.

It is located on a 30 meter wide road which is an extension of North Main road. The project is approachable from 4 sides and enjoys seamless accessibility to the Ahmednagar and Solapur Highway.

Being centrally located, Horizon Highgroves is close to all business hubs, IT Parks and hotels of Koregaon Park, Kharadi, Magarpatta, Kalyani Nagar, Yerawada and the industrial estates of Mundhwa and Hadapsar.

Just a 15-20 minute drive to Pune International Airport and equidistant to the Railway Station.

The presence of public and social infrastructure within the vicinity makes Mundhwa a prosperous location! Also, it's surrounded by the serene Mula-Mutha River.

# FROM FARMLANDS TO PRIMELANDS

Mundhwa today finds itself in a similar situation as Kalyani Nagar did about 15 years ago. Despite being located right next to Koregaon Park, Kalyani Nagar only began to flourish after the construction of the Koregaon Park-Kalyani Nagar Bridge. Multiplexes, business hubs, hotels and restaurants popped up overnight, sending property rates skyrocketing by almost 10 times within a span of 15 years!

With the inclusion of Mundhwa into Corporation limits, it is all set to follow the trajectory of Kalyani Nagar. Over 7 million Sq. Ft. of commercial development is planned around North Main road and Mundhwa. Combined with upcoming robust infrastructure, and given its strategic location, these farmlands are all set to be prime lands in the near future.

- Robust DP roads network of **30 meter** and **24 meter** in the vicinity to help the ease of traffic movement.
- The Pune and Pimpri-Chinchwad Municipal Corporation are set to roll out the **High Capacity Mass Transit Route (HCMTR)** also known as **inner ring road** plan to help decongest traffic for **Mundhwa** and **Kharadi**. HCMTR is located at a distance of 750 meter from Horizon Highgroves.

- The Pune Municipal Corporation (PMC) has introduced a Public Private Partnership (PPP) model to construct a new **5.5 kilometer bridge (30 meter wide) from Bund Garden to Mundhwa Bridge** which is parallel to the Mula-Mutha road to ease the traffic problems of Koregaon park area.

- The Pune Municipal Corporation (PMC) has approved Rs. 581 crore fund for developing **12 link roads and two bridges in the Kharadi and Mundhwa** area of the city on Public Private Partnership (PPP) model and development credit note basis. This decision will give a boost to development in Kharadi and Mundhwa areas along with other parts of the city.

- The projects includes a **24-meter-wide bridge on Mula-Mutha river**, connecting Mundhwa and Kharadi, at an estimated cost of Rs 40 crore; a **30-meter-wide and 3.4-kilometer-long elevated road** from Kalyani Nagar to Mundhwa, at a cost of Rs 227 crore and 2.1-kilometer-long elevated road from Bund Garden to Kalyani Nagar bridge, at a cost of Rs 141 crore.

- **Hadapsar Terminus** will be ready by March 2023 which is merely **500 meters from Horizon Highgroves**. The railway plans to shift operations of some prominent north India-bound trains to Hadapsar to relieve the load on the Pune Railway Station. This will give tremendous boost to the neighborhood.

- The PMC approves **Railway Over Bridge (ROB) on Pune-Solapur line near Thopate chowk in Ghorpadi** which will help connect Mundhwa, Kharadi and Kalyani Nagar areas to Pune station and Sasoon Hospital areas.

- The **elevated corridor 2 of the proposed Pune Metro** project Phase-1 will connect Ramwadi to Vanaz via Mangalwar Peth and Deccan Gymkhana and Kalyani Nagar with an **extension to Kharadi and will lead Mundhwa to easy connectivity** with the key nodes of the city.

- **Extension of Pune Metro to Airport from Kalyani Nagar and Ramwadi till Airport** will give the passengers / flyers a convenient option to reach Pune airport.

- **The flyover near Passport office, Mundhwa** and the road planned behind Ghorpadi, gives the residents of Mundhwa a direct access to Magarpatta IT Park.

# HOTSPOT HIGH LOCATION

With easy access to business districts, industrial estates and highways, your daily commute from Horizon Highgroves will be an easy breeze. Surrounded by neighborhoods at the forefront of culture, you can experience the finest hospitality, dining, shopping and entertainment that the city has to offer.
